

Founding Client Pricing — launch rates below apply for early clients. Locks in early, genuine work while TXL Studio builds its portfolio.

WEBSITES

TIER	WHAT'S INCLUDED	STARTING AT
Starter	Up to 5 pages, mobile-responsive, contact form, basic SEO setup. Good fit for a small local business needing a first real website.	₹5,000 ₹8,000
Standard	Full multi-page business site — lead-capture forms, trust sections, custom design matched to your brand.	₹12,000 ₹18,000
E-commerce	Full online store — product catalog, cart, checkout, custom interactions. Built from scratch, not a page-builder template.	₹25,000 ₹40,000

DASHBOARDS

Custom Dashboard	Data visualization, reporting, or internal tooling built around how your business actually tracks things — not a generic template.	₹15,000 ₹20,000 starting at
-------------------------	--	--

AI CHATBOTS

Basic Bot	FAQ-style assistant trained on your business info — website embed, common questions, lead capture.	₹8,000 ₹12,000
Advanced Bot	Full conversational assistant — connects to your data/catalog, handles multistep flows, custom UI.	₹20,000 ₹30,000

ADD-ONS

Extra page	₹1,000 / page
Monthly maintenance & support	₹2,000 / mo
Priority delivery (rush)	+20% of project cost

Payment terms: 50% upfront to begin, 50% on delivery. Revisions included during the build; scope changes after sign-off billed separately. Timelines quoted per project after a short scoping call. Domain and hosting are purchased and owned by the client — not provided by TXL Studio.
